Production, distribution and export of all kinds of disposable containers

About us

Silky brand, with several years of experience in the disposable tableware production and distribution industry, is recognized as one of the pioneers in this field in Iran's market.

Silky's main goal is to offer high-quality products with innovative and practical designs that effectively meet the diverse needs of customers.

Silky products are made from premium raw materials and produced according to global standards to ensure greater strength, durability, and beauty.

Quality, variety, and design innovation are the features that distinguish Silky products from other brands.

Silky disposable tableware is perfectly suitable for use in restaurants, cafés, formal and informal events, parties, conferences, and food packaging, allowing you to enjoy your gatherings without worrying about the quality.

Plastic Disposable Tableware

- Plastic Plates and Bowls:

Silky's plastic tableware is produced in various designs suitable for serving all kinds of food such as salads, rice, cooked dishes, and desserts.

These dishes feature high resistance to pressure and impact, along with long-term durability, making them ideal for restaurants, cafés, and parties.

- Plastic Cups:

Silky's plastic cups are available in various sizes, perfect for serving cold beverages.

Thanks to their light weight, impact resistance, and beautiful designs, they are highly suitable for parties, catering centers, and fast food outlets.

Paper Disposable Tableware

- Silky's paper and plant-based disposable tableware, being lightweight and recyclable, are excellent options for serving food at events, parties, and public places.
- They are especially popular in fast food outlets and takeaway services due to the high quality and durability of the materials used.

Special Disposable Items for Fruits and Desserts

- **Fruit Packaging Containers:**

Made from strong, recyclable materials designed to ventilate and preserve fruit freshness.

- **Dessert and Cake Packaging:**

Specifically designed to protect desserts and cakes while enhancing the beauty of the serving.

- **Single-wall, Double-wall, and Triple-wall Paper Cups:**

Ideal for hot and cold drinks, providing insulation and hand protection from heat.

PET Medicine Bottles

Silky's PET medicine bottles are made of durable plastic materials, ideal for storing liquid medicines like syrups and drops.

Features of Silky Products

High Quality: Silky tableware is made from the finest raw materials, and quality is controlled at every stage of production to ensure a product with global standards reaches the consumers.

Eco-Friendly: The Silky brand places special emphasis on environmental preservation. Its products are recyclable and do not harm the environment.

Modern and Practical Design: Silky's tableware features modern and simple designs suitable for all uses, including home dining, restaurants, cafes, events, and parties.

High Resistance: Silky products are resistant to heat and pressure and can store both hot and cold foods without damaging the containers.

Hygienic: Silky disposable products are made from sanitary and standard materials and do not pose any health risks to humans.

Silky Brand Vision

With the goal of offering high-quality products that meet consumer needs, Silky seeks to produce disposable tableware that is unmatched in performance, design, and quality. By using top-grade raw materials and adhering to international standards, Silky aims to produce sustainable and eco-friendly products. At Silky, we pay special attention to innovation in the design and production of disposable tableware and strive to provide our customers with a diverse and beautiful product line that ensures a convenient and pleasant experience. Our goal is to become one of the leading brands in the disposable tableware industry and efficiently meet the diverse demands of the market.
